

13 leaves on the olive branch,

13 fruits,

and if you look closely,

13 arrows.

And finally, if you notice the arrangement of the *13 stars* in the right-hand circle you will see that they are *arranged* as a Star of David. This was ordered by George Washington who, when he asked Hayim Solomon, a wealthy Philadelphia Jew, what he would like as a personal reward for his services to the Continental Army, Solomon said he wanted nothing for himself but that he would like something for his people. The Star of David was the result. Few people know that it was Solomon who saved the Army through his financial contributions but died a pauper.
